THE HON'BLE SRI JUSTICE V.ESWARAIAH

WRIT PETITION No.26167 of 2006

ORDER:

Petitioner seeks a Writ of Mandamus directing the respondents more particularly respondents 2 and 3 not to interfere with and not to compel the petitioner and his family members to compromise with the 4th respondent with regard to the landed property admeasuring Acs.3.16gts in Sy.No.51 situated at Jalalpur village, Varni Mandal, Nizamabad District, as illegal and arbitrary.

A counter has been filed by the second respondent stating that the police never interfered with the civil rights of the petitioner and his family members and they were never called to the police station to settle any civil disputes or to compromise with the 4th respondent and all the allegations made in the petition are denied. It is also stated that no complaints are pending against the petitioner and his family members and they were never called and detained in the police station.

I am of the opinion that the police cannot interfere with the civil rights of the petitioner and his family members.

However, in view of the specific denial of all the allegations made against the second respondent, the writ petition is dismissed with a liberty to the petitioner to question the illegal acts of the police as and when the civil rights of the petitioner and his family members are

interfered with. No order as to costs.
